Manufacturer's Warranty – Australia and New Zealand

Congratulations on your purchase. This *Microwave Oven Manufacturer's Warranty – Australia and New Zealand (Warranty)* sets out the terms and conditions on which Hisense Australia Pty Ltd ABN 55 105 022 080 of 1A Millennium Court, Knoxfield, Victoria 3180 (**Hisense**) will repair or replace defective *Microwave Oven*. **The benefits to the consumer given by this Warranty are in addition to other rights and remedies of the consumer under law in relation to the goods to which this Warranty relates (including the Australian Consumer Law (for Australian customers) or the Consumer Guarantees Act 1993 (for New Zealand customers)).**

What is covered by this Warranty?

- This Warranty automatically applies to any new Hisense Microwave Oven that is purchased in Australia or New Zealand (**Product**) from a company or person that is authorised by Hisense to sell the Product (**Authorised Retailer**).
- Subject to the terms of this Warranty, Products are warranted to be **free from defects in materials and workmanship (defects)** for the applicable time period specified below (**Warranty Period**).
- During the Warranty Period, if requested by the original purchaser of the Product (**you**) in accordance with this Warranty, Hisense will repair or replace, at its option and cost, the Product or any part of the Product that Hisense determines to be defective.
- Replacement products and parts:** Hisense can, at its option, choose to repair or replace a defective Product or any part of that Product with a product/part of a like kind and quality. **Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.** Replacement products and parts may cost less than the original Product purchased. No charges or refunds will be made based on the replacement Product or part cost difference.
- Service Coverage Area:** If the Product is located within 25km of an Authorised Retailer (**Service Coverage Area**), then Hisense may (at its option):
 - arrange for a qualified repair technician (**Authorised Repairer**) to attend that location;
 - arrange for the Product to be delivered from that location to an Authorised Repairer or Authorised Retailer, and for the Product (or a replacement product) to be returned to you at that location; or
 - request that you deliver the Product to an Authorised Repairer or Authorised Retailer and collect the Product (or a replacement product) from an Authorised Repairer or Authorised Retailer.

Hisense will be responsible for all reasonable costs relating to the transportation and travel expenses to and from that location under clauses 5.a or 5.b. If the Product is located outside the Service Coverage Area, you must reimburse Hisense and pay on demand all reasonable costs and expenses (including costs of transportation and travel expenses) incurred by Hisense in relation to any Authorised Repairer attending the location of the Product, arranging for the Product to be transported to an Authorised Repairer or Authorised Retailer and/or arranging for the Product (or a replacement product) to be returned to you.

You will not be entitled to claim any costs or expenses from Hisense in relation to making a claim under this Warranty, including any costs that you incur in delivering the Product to (or collecting the Product from) an Authorised Repairer or Authorised Retailer under clause 5.c (or otherwise).
- Service Coverage Hours:** Hisense makes no representation or warranty in relation to how long a claim under this Warranty will take to be finalised. Without limiting the preceding sentence, if you require an Authorised Repairer to inspect or repair the Product outside Hisense's standard warranty service hours of 9am to 5pm on Monday to Friday (regardless of whether the Product is inside or outside the Service Coverage Area), and Hisense agrees to provide warranty services outside of those times, Hisense will be entitled to charge an additional fee for that "out of hours" service.
- Australian Consumer Law (Australian customers):** Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Terms used in this clause 7 and clause 4 which are not defined in this Warranty, have the meaning given to them in the Australian Consumer Law.
- Consumer Guarantees Act 1993 (CGA) (New Zealand customers):** If you are purchasing the Product for personal use, then this Warranty applies in addition to your rights under the CGA. If you are purchasing the Product for business purposes, then this Warranty will apply but you agree that the CGA will not apply.

How long does the Warranty last for?

- Subject to clause 10, the applicable Warranty Period is **2 years** from date that you purchased the Product (as shown on your original invoice) (**purchase date**), except:

 - for accessories forming part of a Product (e.g., cooking plates, etc), wherein the warranty period will be 12 months.
- The Warranty is automatically **voided** if:
 - the Product's original serial number is removed, damaged or modified;
 - the original purchaser sells, transfers or rents the Product to another person;
 - there is any unauthorised access to the internal hardware or firmware of the Product;
 - the Product was repaired or tampered with by a person who is not authorised by Hisense; or
 - you fail to pay any money owed in relation to any non-Warranty work on the Product that has been requested by you.
